

Product Sales Summary

The daily option will show you current day, week to date, month to date, quarter to date and year to date.

The weekly option will show you current week, month to date, quarter to date, year to date and last year quarter to date.

Monthly option will show you quarter to date, year to date, last year month to date, last year to date.

Note: Unit grand totals should not be referred to if you are running the report for more than one category due to the potential difference in units.

Note: The "Wine Club" Category on this report is for the VinNOW products which have a product category set to "Wine Club". If you charge for membership in your Wine Club then the total dollar amount of those Wine Club product sales will be included here. If you do not charge for your Wine Club the totals will be zero. This figure is not connected to sales generated by wine club members or during wine club runs.
